Ihe Intelligencer.

FICE: NO. 15 QUINCY STREET. FREW, HAGANS & HALL.

ittee and inserting the existing law-id we trust the propriety of doing this Mr. Hoke introduced a certain bill to legalize a certain deed in Berkeley county, which was read three several times, and passed.

Mr. Hoke introduced a certain deed in Berkeley county, which was read three several times, and passed.

The following chapters were passed: 145, of offenses against property; 146, of forgery; 135, of offenses against the panes; 150 yet of for anything else.

The following chapters were passed: 145, of offenses against the panes; 150, of offenses against proble health.

There are therefore five and a half years' taresdue from the Baltimore and Ohlo Baliroad company to the State, and passed.

On motion of Mr. Martin, the Sendal and the panes; 150, of search warrants.

On motion of Mr. Martin, the Sen-and to the counties through which the at 20'clock r. M. road passes. Yet because the company the tups claim to examption under its charter, no sufficient effort has ever been made by the State authorities either to enforce the collection of its dues or to bring the question of the company's claim to an issue. Indeed we understand it is doubtful whether all the reg. ular assessments have been entended to, so that when the right of the State is finally enforced and the arrearges brought up, it may be found that hundreds of thousands of dollars have been clost to the State and counties simply from neglect. And it has been loft for one of the counties, interested in a nation degree, to attack this corporation which has been allowed to defy the State and influence the Legislature and the streams and counties imply from neglect. And it has been loft for one of the counties, interested in a nation degree, to attack this corporation which has been allowed to defy the State and not nites more than it we been made to occade away not only the right of the State is for counties, interested in a nation degree, to attack this corporation which has been allowed to defy the State and not nites are thought to have "done the being and the previous processing the passage of a law recognizing their right to vote, and instructing whether all the regulature and the streams and counties are thought to have "done the brought to have "done the brought to have "done the bring the vote and making provision for severies."

STERLING SILVER WARE AND FINE ELECTRO-PLATED WARE. AND FINE ELECTRO-PLATED WARE. State to collect these arrears, but its right to tax for all time to come. So far honest legislatures with an honest its converse that have a bearing through which have a defined to a succeed Mr. van. The cection of the delegates who framed the present did from the election of the Legislature; that women did in fact, exercise that right under the register were excluded from the election of the Legislature; that women did in fact, exercise that right under the register were excluded from the election of the Legislature; that women d charter, no sufficient effort bas ever been

State has no right to exact a dollar under the name of compromise or any right to release a dollar, because it is bound to do equal and exact justice between all its citizens. It must raise a given amount of revenue and if it refers to special legislative favors. It has so other. If it is, then the State has no

indefinitely enlarged?

dressed ourselves to this plea before. We do not care to answer it as it might be by a recital of the many exactions servants they are.

The existing law on the subject of

its exemption from all assessment.

Until then it is clearly the duty of that body to do nothing that shall weaken the rights of the State in this controversy, but to do whatever may be needed, if anything, to strengthen the hands of its authorities, and com-pel them to enforce the law.

THE Cincinnati Commercial has a long article entitled "our Pacific Rail-road Blunder," showing how the building of a railroad to the Pacific in a more than those at whom it is almed. northern latitude is a four pas. Is it because the road terminates at Chi-

This Parkersburg Times observes with regret that many of the best citiens there are preparing to leave on account of the stagnation in business.

SATURDAY, Dec. 5. SENATE. Prayer by Rev. J. T. McClure. A communication from the Hou

Mr. Hoke introduced a certain bill to

The U. S. Senatorship.

We print this morning what we supof our people will be protected and the devote our columns to the special anyodesigns of this monster corporation will be case of any one of the many eminent be feiled just as they have been before.

We have not space this morning for claborate argument. Indeed the case time our paper will be open equally to women. is so plain a one we cannot see how them all, and equally free to criticise or elaborate argument is needed. What- commend, if criticism or commendation ever is released to this corporation (assuming it to be lawfolly subject to tax atton) is just that much taken unjustly from other taxpayers. You cannot in this matter favor one without oppressing others; you cannot give to oppressing others; you cannot give to one without robbing others. These one without robbing others. These gentlemen say they want to "compro- credit to the State, both in the estimamise." What has the State to compro-mise in matters like this? This Company ei her is lawfully subject to taxa-tion or it is not. If it is not, then the which the Legislature is to do this shall to be the instrumentality through

More Discrimination.

leases the property of one from its share, the additional burden must be saddled on others; and such addition is ing east does not leave this city dill simple robbery.

The first question to be decided is whether the property of the Company in this State is taxable; and until it is that it gives great inconvenience to people here, and those in the interior who receive mail matter from this decided, what can the Legislature do point. The connection at Grafton is LIGN with any sort of propriety, unless it be also arranged so that no mail matter with any sort of propriety, unless it be to strengthen the hands of the State from this point, or from any one beauthorities if they need strengthening, in the enforcement of the laws which have suffered defiance solong? How can any member of this Legislature, when begoes home a week or two hence, explain to his constituents, why under these circumstances, in advance of any judicial decision that the Company was weeked to two hence, explain to his constituents, why under these circumstances, in advance of any judicial decision that the Company was wheeling is by this arrangement practically made more distant from Clarks. xempt, he voted for a change in the tically made more distant from Clarkslaw so as to exempt them, when at the burg than New York. The Telegraph manent form the laws to tax their the company for a remedy, but to the houses and lands, their pigs and sheep. Post Office Department. The Govern

cares for the interests of his people, vote in view of these probabilities to give special exemption to a property now third birthday by killing a "buck" that worth \$15,000,000 and which might be indefinitely enlarged? weighed over 200 lbs, and sported the most magnificent horns ever seen in The Legislature is asked to be gene- that part of the country by the oldes rous lowards this Railroad because it inhabitant. The old gentleman prizes has benefited the State. We have adfeat and refuses to part with them for love or money.

be by a recital of the many exactions and discriminations which our people and discriminations which our people suffer at the hands of this Company; for we would not have the Legislature against a way with all laws for the collection of debts, on the ground that honor is the true basis of all credit in business, and therefore laws should not be enacted to encourage credit to an unbefaithful to the trust reposed in them by the people of the State, whose aworn by the people of the State, whose aworn and by the people of the State, whose aworn cash system and the present is a favor of a cash system and the present is a favor of the Parkers burg Times urges the Legislature to do away with all laws for the collection of debts, on the ground that honor is the true basis of all credit in business, and therefore laws should not be enacted to encourage credit to an unbeathy extent, and that there are many sound arguments in favor of a cash system and the present is a favor of the Parkers.

When attacked with this complaint. It is now ill years alone in which all daying of Croup when my Liniment was used; but therefore laws should not be enacted to the concurrance of the concurrance of the Parkers.

When attacked with this complaint. It is now ill years alone in well and never heard of a child dying of Croup when my Liniment was used; but the receive have been reported towns, and many state if it were the proposed to the concurrance of the proposed to the prop A CORRESPONDENT of the Parkersthe organic law of the State, to do equal justice among tax payers, and to be faithful to the trust reposed in them by the people of the State, whose aworn servants they are.

stitution concerning taxation. When-ever the courts decide that the Balti. Its election; except when the fourth more & Ohio Railroad is outside of that | comes on Sunday, when the session be provision, it will be the duty of the Leg. gins at the same hour next day.
